Explanation

Orašje Municipality has launched a public procurement procedure for the Design and construction of drinking Water Treatment Plant in Kostř (Decision, Number: 01-23-1173/15 dated January 22, 2018.).

Public procurement was conducted through an International invitation to tenderers, No. 01-23-1173/15 on day February 3,2018, the Procurement notices published in the Official Journal of the European Union (No.2018/S 024-050090) and national media in Bosnia and Herzegovina - Vecernji list and Oslobodjenje, on the February 3, 2018.

Tender documents claimed seven bidders. To the Invitation came three offers. Evaluation Committee carried out an evaluation of the bids in accordance with the terms of FIDIC YB and two bid met all the conditions required in the Tender Documentation.

The Revised Final Evaluation Report and the procurement procedure was reviewed by the European Investment Bank (EIB). The EIB noted several deficiencies of which some should have been already spotted at the technical evaluation stage, and not after the opening financial offers. Because of this deficiencies, the EIB declined non-objection to the award decision and withdrew of non-objection issued to Technical evaluation conclusion and recommendation in Revised Final Evaluation Report, dated January 2019.

After consultations with PMU and EIB, Municipal team for implementation of the project proposed the Municipality Mayor to annul the proceedings of this public procurement.

Appreciating the above, it was decided as in the operative part of this Decision.
